

Change is good. Healthy change is better.

**It's time to fit into
your life!
Attend a courtesy
weight loss
surgery seminar.**

Weight Loss Surgery Program

The right care at the right time, every time.

Our Albuquerque-based weight loss surgery program may be the right choice for you. Led by a fellowship-trained Bariatric surgeon, our weight loss surgery program offers you the flexible options and comprehensive care before, during, and after surgery that will help you make a healthy change for life.

DaVita Medical Group Bariatrics is proud to offer three weight loss surgery options: Adjustable Gastric Banding- Vertical Sleeve Gastrectomy- Laparoscopic Gastric Bypass

Visit DaVitaBariatricsNM.com for more information.

UPCOMING SEMINARS: Interested in weight loss surgery? Email Bariatrics@DaVita.com or call (505) 262-7281 to attend our no cost informational seminar. *Seating is limited, so reserve your spot today!*
