Weight Loss Surgery Program

The right care, at the right time, every time.

Our Albuquerque-based weight loss surgery program may be the right choice for you. Led by four fellowship-trained Bariatric surgeons, our weight loss surgery program offers you flexible options and comprehensive care before, during, and after surgery that will help you make a healthy change for life.

Optum Bariatrics is proud to offer three weight loss surgery options:
Adjustable Gastric Banding- Vertical Sleeve Gastrectomy- Laparoscopic Gastric Bypass
